The Institute of  
Internal Auditors

If you are interested in earning the most sought-after credential in the global internal audit profession, then you need the best exam preparation available. UC Irvine Extension is now offering the four-part CIA Exam Review Courses based on the premier-quality Institute of Internal Auditors (IIA) CIA Learning System™.

# Increase Your Market Value... Become a Certified Internal Auditor.

The CIA is the only globally accepted designation for internal auditors. It is the standard by which internal audit professionals demonstrate their knowledge and competence in the areas of governance, risk, and control.

Please note that to earn the CIA designation, candidates must meet pre-defined criteria. To find out more about earning the CIA designation, determine your eligibility, or register for the exam visit [www.theiia.org/certification](http://www.theiia.org/certification).

## Why Earn Your CIA Certification?

- Distinguish yourself from your peers
- Improve your credentials with internal staff and external clients
- Fine tune your knowledge of best practices in the industry
- Boost your career opportunities

## Is the CIA Right for You?

Earning the CIA designation is an important accomplishment and professional advantage for internal auditors during all stages of their careers including:

- Chief audit executives
- Audit directors
- Audit managers and staff
- Risk management staff
- Business, finance, and accounting students
