- Intensive English as a Second Language
- International Tourism and Hotel Management
- Trainers in Teaching English as a Foreign Language (TEFL)
- University Preparation, Academic English, GRE, GMAT, iBT TOEFL and SAT Prep

ONLINE

- Instructors, preferably with online experience, to teach many of the courses listed here. Also subject matter experts interested in developing new online courses. Please note: Instructors and subject matter experts must have professional working experience in the fields they wish to teach or for which they wish to develop online content.
- Online instructor-trainer (Required: experience teaching and developing materials for online classes. Desired: experience with the Moodle delivery system)

QUALIFICATIONS / SALARY

- Knowledge and professional working experience in a specialty area, a master's degree in appropriate field of study (doctorate preferred in some disciplines), and teaching experience. A master's degree is preferred, but not required, for some technical disciplines. Experience in conducting workshops, presentations, and training may in some circumstances, qualify in lieu of formal teaching experience. Online teaching experience should also be noted.
- Salary is on a per-course basis. In addition, you will have access to UC Irvine's library and other UC Irvine campus resources and receive a complimentary course for every quarter you teach.

Send your resume with cover letter identifying areas of competence and interests to
